English Karaoke

This month we have had a very interesting karaoke concert at IES Lliçà. It was held on February fifth at the school gym. Students from first and second grades of ESO could enjoy the music and sing along some very well known songs.

Students took turns to go in front of the stage and use the microphone and also sing from their seats while the singer walked and sang among the audience.

We all had a very good time.

Think about this:

Did you have fun?

Would you like to have another karaoke party?

What was your favorite song?

Here you can see some pictures of the event. Enjoy them and try to find someone you know

Students from second ESO enjoy the karaoke

MONSOON – TOKYO HOTEL

**I'm starring at a broken do
there's nothing left here any more
my room is cold
it's making me insane
i've been waiting here so long
but now the moment seems to've come
i see the dark clouds coming up again
running through the monsoon
beyond the world
to the end of time
where the rain won't hurt
fighting the storm
into the blue
and when i lose myself
i'll think of you
together we'll be running somewhere new
through the monsoon
just me and you
a half moon's fading from my sight
i see your vision in it's light
but now it's gone and left me so alone
i know i have to find you now
can hear your name
i don't know how
why can't we make this darkness feel like home
running through the monsoon
beyond the world
to the end of time
where the rain won't hurt
fighting the storm
into the blue
and when i lose myself
i'll think of you
together we'll be running somewhere new
and nothing can hold me back from you
through the monsoon
hey! - hey!
i'm fighting all it's power
comin' in my way
let it take me straight to you
i'll be running night and day
i'll be with you soon, just me and you,
we'll be there soon, so soon...
running through the monsoon
beyond the world
to the end of time
where the rain won't hurt
fighting the storm
into the blue
and when i lose myself
i'll think of you
together we'll be running somewhere new
and nothing can hold me back from you
through the monsoon
through the monsoon
just me and you**
