

## Idiomes

### Aplicacions de mòbils per aprendre anglès.

We recommend some apps to learn English. They are all free.

- Are you learning English now?
- Do you have a smartphone?
- Wonderful!

You can learn English "on the go" (while moving around) in lots of ways.

For example, you can learn with:

- English music,
- YouTube channels and
- podcasts for English learners

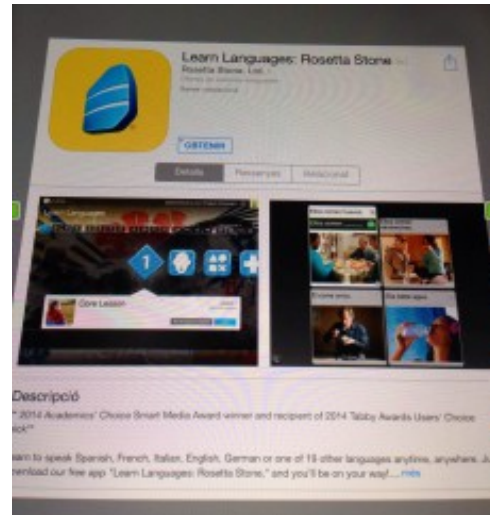

And let's not forget—**mobile apps**.

With these apps for learning English, it'll almost be like playing a game – no more boring vocabulary and grammar exercises!
